Brendan Dill

Current Address: 434 S Walnut St., West Chester, PA 19382
dillbrendan6@gmail.com bd985346@wcupa.edu (610)-306-8108

EDUCATION   Anticipated May 2023
West Chester University, West Chester, PA
Bachelor of Science in Computer Science
Certificate in Computer Security
- GPA: 3.2/4.0

EXPERIENCE
Developed an Android application
- Used Java and MySQL to develop a kids alphabet learning application.
- The application helps children learn their ABCs by clicking on letters and it randomly repeats a word that starts with the letter that was clicked.
- Implemented Google's Text-to-Speech API.

Developed a portfolio website
- Developed using Node.js, React.js, and Bootstrap, JSX, CSS, and HTML.
- A simple portfolio website that uses routing from JavaScript.

WORK EXPERIENCE
Server   March 2021 – May 2022
Cheesecake Factory, King of Prussia, PA
- Used excellent customer service and communication skills.
- Managed a 5-table section.
- Processed payments and aimed for at least $1200 in sales per a shift.
- Did my due diligence at the end of each shift to prep for upcoming shifts and setting those team members up for success.
- Worked efficiently as a team member.
- Trained new employees and showed them their responsibilities and how to deal with these responsibilities in the proper way.
-

SKILLS
- Java (Spring, Springboot, JavaFX, Android/Kotlin)
- JavaScript (Node.js, React.js, Express.js)
- SQL (SQL: MySQL, Postgres, PL/SQL, TSQL; NoSQL: Redis)
- C Programming
